MEMORANDUM

To: Members of the Democratic Assembly Caucus

From: Assemblywoman Sheila Oliver

Re: Communication You Received Regarding Joint Assembly/Senate Meeting . Monday, October 26, 2009

Permit me to take this opportunity to clarify and provide broader detail and specificity vis-à-vis the initial contact you received.

The objective of the meeting is to bring together both caucuses as we move toward the final leg of our aggressive and assertive gubernatorial campaign, as well as our respective Assembly legislative district campaigns.

There is a total recognition that many members are fully engaged in fundraising activities, district and gubernatorial commitments, and surrogate activity, and that seeking your participation in the October 26th meeting proves challenging.

The meeting represents an opportunity for the combined Democratic Caucuses to rally together as a united Democratic Majority in the Legislature as we re-elect Governor Jon Corzine.

While such a joint effort may be unprecedented in that our Caucuses are proudly independent of one another, our coming together 10/26/09 provides further impetus to the final leg of our successful gubernatorial and legislative campaign.

Please feel free to contact me at 973-207-5882 should you have any questions or concerns.
